

Don't just take
our word for it...

How to find us...

We have lots of satisfied customers:

"I find the conference centre excellent in terms of facilities, location, size and environment. The organisation of events, due to the co-operation and professionalism of the staff, also makes Hanover a first and consequently the customers' events are always successful."

Eleanor Stewart, Director, Abbeyfield Scotland

"Throughout the year Penumbra has been a frequent user of the excellent conference and training facilities provided by Hanover (Scotland). We have been delighted by the comfortable, accessible and well-equipped training rooms."

Neil Falconer, Training Manager, Penumbra

adaptable, accessible,
affordable and professional

Welcome to the McDonald Rooms

A choice of venues to suit your needs

Quality meeting and training facilities at a price to suit your pocket

The McDonald Rooms is the perfect answer for businesses or charities that need external facilities for conferences, meetings or IT training events.

Our fully accessible Conference Centre is close to public transport links and offers:

- ▶ a state-of-the-art conference area holding up to 100 people;
- ▶ meeting rooms with flexible, sound-proofed breakout areas that can be tailored in size;
- ▶ a dedicated IT training centre;
- ▶ excellent facilities for disabled people; and
- ▶ flexible pricing packages with discounts for charities.

We also offer all the services you'd expect from a first-class conferencing facility, including quality catering, equipment hire and a full range of office facilities.

McDonald Rooms Conference Centre

The McDonald Rooms is the main conference area. It can hold up to 100 people and can be set out in many different ways depending on what you want. It's the perfect venue for a conference, training session, presentation or meeting.

Features include:

- ▶ a loop hearing system;
- ▶ a PA system;
- ▶ a movable stage with 'top table' and lectern; and
- ▶ a stage ramp which allows access for people in wheelchairs.

The three breakout rooms are accessed from the McDonald Room, and are perfect for workgroups, breakout sessions and interviews. Separated from the main conference centre by movable, soundproofed partitions, they are also available to hire on a separate basis from the main area.

Hopetoun IT Training Suite

A modern IT Training facility with 12 networked workstations. It can be hired on a full or half-day basis, or you can choose to send delegates on any one of a wide range of courses that we run with a fully-qualified IT Trainer.

Other meeting rooms

We also provide a number of other smaller rooms as well as a traditional boardroom – ideal for more formal events or Committee meetings.

All the extra services to make your event memorable

- ▶ Presentation equipment hire including data and overhead projectors, laptops, large screen TVs and DVD players.
- ▶ Full office services facilities including conference phone calls, colour photocopying, scanning and faxing.
- ▶ Various catering options provided through high quality external suppliers, as well as the standard tea, coffee and cold refreshments.
